TENDER NO. 94-26, PONTIAC PUMPING STATION UPGRADES

Electronic bid submissions shall be accepted and received by the City on or before the Submission Deadline of FRIDAY, JUNE 5TH 2026, at Eleven-Thirty Fifty-Nine (11:30:59) a.m. (E.D.T.) through the City's Bidding System: www.biddingo.com/windsor to provide the capability for a controlled by-pass of the incoming sewers to the Little River Pollution Control Plant in the case of a severe storm event. The new pumping station adjacent to the existing Pontiac Pumping Station will have 3 axial flow pumps with a firm capacity of 2.5 m³/s.

The project also includes some upgrades to existing electrical system in the existing pumping station and installation of a backup generator to accommodate both new and existing pumping stations.

This project is funded in part by the Government of Canada.

A MANDATORY site visit will be held on Tuesday, May 19th, 2026, at 10:00 a.m. (E.D.T.), at 9410 Little River Road, Windsor, Ontario.

Tender documents are available for download, upon payment of a non-refundable fee at Biddingo, www.biddingo.com/windsor. A Bid submitted by mail, in person, fax, e-mail or other electronic means, other than through the Bidding System: www.biddingo.com/windsor, will not be accepted.

Contract award will be posted on The City of Windsor website, www.citywindsor.ca and results to www.citywindsor.ca and the Bidding System: www.biddingo.com/windsor. The document is available in PDF and is bookmarked for easy reference.

Acceptance or rejection of any tender will be made in accordance with City of Windsor Purchasing By-Law No. 60-2026 and amendments thereto. This procurement is subject to the Canadian Free Trade Agreement (CFTA), approved July 1, 2017.

Yours truly,

THE CORPORATION OF THE CITY OF WINDSOR

Jennifer Musson
Purchasing Supervisor (A)
